Work Experience

- New Bound Media,
Creative Director & Director of Photography, I am responsible for the creation of concept and production of all media for clients. I am the liaison to the client, and assist them in achieving their goals with the project. I operate the camera, and do post production if needed.
March 2008 - Present
- Event Creative,
Freelance Camera and Video Technician, Responsibilities include set up and break down of video projection equipment, video switchers, DVD player stations, FastFold screens, plasma TV's, and any other video equipment needed for the job. I am also the on site technician that runs the show, using the aforementioned equipment.
October 2008 - Present
- Renaissance Chicago Hotel,
Audio Video Technician, I am responsible for set up and breakdown of any audio/video needs of the hotel. Anything from setting/teching a lavish event, to setting up a telephone line for a client. I used a wide array of audio and video equipment to serve the clients needs. Before my departure I enhanced the utilization and storage of our department's most used equipment.
May 2007 - September 2008
- Leslie Hindman Auctioneers,
Staff Photographer, I am responsible for photographing all property that comes in for catalog, web, and press purposes. I lit, photographed, cropped and edited each item as necessary to be ready for press. I proposed and attained new camera and lighting equipment for the department, along with streamlining the work flow, by strategizing with account executives to optimize output.
